In order to contribute, you will need to provide your name and contact information and sign this Rokwire Project Contributor License Agreement, which sets the terms and conditions of the intellectual property license granted with your contributions.

This Rokwire Project Contributor License Agreement (“Agreement”) is by and between you, any person or entity (“You” or “Your”) and the Board of Trustees of the University of Illinois, a body corporate and politic of the State of Illinois (“Illinois”). 5. Your representations are accurate, and You agree to notify Illinois of any facts or circumstances of which You become aware that would make any of Your representations inaccurate in any respect.
6. You grant to Illinois and to recipients of the Rokwire software distributed by Illinois (collectively, “Recipient”), a perpetual, irrevocable, non-exclusive, worldwide, royalty-free unrestricted license to use, reproduce, prepare derivative works of, publicly display, publicly perform, distribute, and sublicense the Contribution, and such derivative works, in source code and object code form.
7. You grant to Recipient a perpetual, non-exclusive, worldwide, royalty-free, fully paid license of Licensed Patents, if any, to make, have made, use, offer to sell, sell, import, and otherwise transfer Your Contribution in source code and object code form (“Patent License”). 8. Except for the rights granted to Recipients above, You reserve all right, title, and interest in and to Your Contribution. You are not expected to provide support for your Contributions.
9.
